Rules for Use

Compliance with the following rules of the use for David Nielsen Memorial Field is mandatory

In August of 2008 the Royal School District had Field Turf Inc. installed a top dressing and a total grooming of our Field Turf playing surface. There are new rules and regulations to ensure that the investment of taxpayers will be protected and the maximum life of the field will be realized.

The user is required to read and initial each of the following items. All coaches are responsible for reviewing the Rules of Use with their assistant coaches, team support staff and all the team members.

SUNFLOWER SEEDS: Sunflower seeds are not allowed in the stadium, on the field, on the sidelines or in the locker rooms. The sale of sunflower seeds in any of the concession stands is prohibited. The reason for the ban is the difficulty cleaning up the shells and removing them from the turf. Failure to obey this rule will result in a minimum fine of \$250 which is the cost estimated to clean up the field.
